

Change Grow Live

Change Grow Live – Wear Recovery

January 2023 – Issue 1

Welcome to Change Grow Live

Change Grow Live currently deliver drug and alcohol treatment in Sunderland. We are a national charity whose mission is to help people change the direction of their lives, grow as a person and live life to its full potential.

We recognise the important part you play in delivering services. We value your expertise and local knowledge and understand that without you we cannot succeed.

This bulletin serves as advertising our service and aims to get more pharmacies involved with drug and alcohol treatment.

Please also look at our website: www.changegrowlive.org, to find out more about us and what we do.

Supervised Consumption

Supervised Consumption enables service users to comply with prescribed regime and reduces the diversion of controlled drugs which leads to a reduction in drug-related deaths.

Supervised consumption also aims to provide service users with regular contact with healthcare professionals.

Believe in people

Needle Exchange Service

Needle Exchange Service's supply needles, syringes and other equipment used to prepare and take illicit substances. They play a huge part in reducing the transmissions of blood-borne viruses and other infections caused by sharing injecting equipment.

They also aim to reduce the harm caused by injecting drugs through providing advice and signposting patients to other services, including drug treatment centres.

Contact us

If you are interested in the above, please contact Laura Jones (Community Pharmacy Liaison Lead) on 0800 234 6798 or laura.jones@cgl.org.uk to discuss further.
